1. INTRODUCTION

- 1.1 We are committed to efficiently delivering and marking all ABRSM's Music Exams. This includes significant investment in training and monitoring of our processes to ensure accurate and fair outcomes of our assessments
- 1.2 We take complaints about our exams very seriously and any issues raised will be thoroughly investigated with appropriate follow-up action and or support for examiners where required
- 1.3 For online exams, ABRSM's internal Quality Assurance processes ensure we are able to validate the correctness of the auto marking process prior to results being issued
- 1.4 The information provided in this policy is intended to be a clear guide for teachers, parents and candidates requiring support relating to the outcome of a music theory exam. For further information, please contact qa-theory@abrsm.ac.uk

2. OUR RESPONSIBILITY

- 2.1 As a regulated awarding organisation, ABRSM must establish, maintain and comply with an appeals process in relation to all qualifications we make available

3. WHO CAN APPEAL AND WHEN?

- 3.1 Only those with a direct interest in the relevant exam may lodge an appeal against the outcome of an exam. This includes, but is not limited to:
 - 3.1.1 The candidate, or where the candidate is under 18, the parent/guardian of the candidate
 - 3.1.2 The Applicant
 - 3.1.3 The Teacher
- 3.2 All appeals must be made by submitting a Theory Exam Appeal form and should include full contact details so we are able to provide the outcome of the investigation
- 3.3 All appeals should be received by ABRSM within 30 calendar days of the release of results online
- 3.4 Appeals can be submitted prior to the receipt of a physical mark form
- 3.5 ABRSM aims to acknowledge all appeals within three working days and to resolve all appeals within four weeks of this acknowledgement

4. ONLINE EXAMS

- 4.1 ABRSM's online exams contain objective based questions which are marked by a computer
- 4.2 ABRSM provides the answers against which each candidates paper is marked. All marking is verified following each exam session before results are released
- 4.3 We are not able to accept appeals over the marks awarded in computer marked exams

5. PAPER BASED EXAMS

- 5.1 Grades 1-5. Exams taken on paper contain objective based questions which are human marked. We can conduct a clerical re-check to ensure
 - 5.1.1 All questions were marked
 - 5.1.2 All marks were correctly entered onto ABRSM's exam systems and;
 - 5.1.3 The results match the marks on the paper

5.2 Grades 6-8. Candidates can request a re-mark of their exam paper. Re-marks are reviewed by an independent senior examiner not involved in the original assessment.

6. FEES

- 6.1 Grades 1-5 (Clerical re-check) £10 per candidate
- 6.2 Grades 6-8 (Paper Re-mark) 50% of the entry fee for the Grade
- 6.3 All fees should be paid in advance using the following details:
 - Account name: ABRSM
 - Account number: 20129046
 - Sort code: 20-05-75
 - Reference: Theory Appeal
- 6.4 External review (all Grades) £60 per candidate

7. POSSIBLE OUTCOMES

- 7.1 At all grades, marks may be adjusted up as well as down, or they may remain the same
- 7.2 If the mark is adjusted, ABRSM will refund the appeal fee
- 7.3 If the mark remains the same, the appeal fee will be retained and the outcome relayed via email
- 7.4 At Grades 6-8, a mark form report will be produced providing commentary for the marks awarded and emailed to the appellant
- 7.5 If the outcome of an appeal results in a category of achievement being changed, a revised mark form and certificate will be sent

8. ESCALATION

- 8.1 Where an appellant remains unsatisfied with the outcome of an appeal, you can request an external review
- 8.2 An external mediator (someone independent of ABRSM who is not currently nor has recently been employed by ABRSM) will review the appeals procedures to ensure the investigation process has been followed correctly
- 8.3 An external review does not investigate the original points of concern, it is in place to confirm ABRSM has followed its published protocols and therefore there will be no possibility for marks to be adjusted
- 8.4 Any request for external reviews need to be made within 14 days of receipt of ABRSM's original appeal outcome notification.
- 8.5 ABRSM aims to acknowledge all requests for external review within three working days and to resolve all appeals within four weeks of this acknowledgement

9. REGULATORY AUTHORITIES

- 9.1 Once all avenues have been explored, additional escalation can be made directly to ABRSM's regulatory authority: <https://www.gov.uk/appeal-exam-result>
- 9.2 On request, ABRSM will supply all information required to Ofqual, Qualification Wales or the CCEA (Northern Ireland)
- 9.3 The outcome will be sent directly from the relevant regulatory authority
